FALL 2020 <http://www.tantallon.info>

FROM THE PRESIDENT

Annual Fall Clean-Up Day

Dear Neighbors,

We have seen a spectacular rise in across-the-board meeting attendance and volunteering this year. Over 23 people helped with our fall community clean-up, and 19 people came to our initial membership committee meeting on my front lawn. The September 23rd general meeting in the parking lot of the National Golf Club at Tantallon had an estimated 60-75 people in attendance. It is particularly encouraging to see many newer members of our community volunteering. It was heartening to see 35-40 people, many in costume, join us for a Halloween Walk on October 31st. However, a rise in Covid-19 cases, and a recent order by the Governor prohibiting gatherings of 25 or more make it necessary to end all in-person gatherings for the present. Plans for a Thanksgiving Turkey Trot and a Holiday Cookie Exchange had to be postponed until next year.

We are, however, planning a self-guided, socially distanced "holiday lights" tour, so kindly email me at Cartesq@aol.com if your home's exterior will be lit up for the holidays, and we'll add your address to the tour. Santa Claus is also scheduling an appearance in Tantallon on one or two weekend days, so also send me an email if you have little ones who would appreciate an outdoor visit from Santa.

Likewise, mark your calendars for a virtual General Membership Meeting on Wednesday, December 9th at 7 pm. It will be by Zoom or conference call, and instructions will be sent by email. We have a number of important issues to discuss; among them, a request by the County to use part of our land at the roundabout for storm water control, and the proposed construction of a new school.

I'd also like to thank the Wynns for outstanding fall decorations at the Tantallon Circle, and their subsequent holiday decorations, which I think are the best we've ever had. Thank you to everyone who has provided some much-needed beauty and cheer this year.
-- Carter Ferrington

Thank you to the more than 24 people who volunteered on our clean-up day, Saturday, October 10! The weather was perfect. We filled 50 paper yard bags with weeds, leaves, and dirt along West Tantallon Drive, from Fort Washington Road to Arrow Park Drive. Troy Ford did a section on Surrey Circle Drive adjacent to the golf course where weeds have been growing for years. This should improve drainage. Due to the pandemic, we did not get any trees to plant this year.

Volunteers included Tabitha Stewart, Henrieta Dzurikaninova, Troy Ford, Patti Holcomb, Diane Miceli, Jo Ann Davis, William Nelson, Anthony Mitchell, Ski Markowski, Joe Ramsey, Calvin Martin, Dede Perkins, Laurie Bangart, Cassie Adams, Robert Straughter, Donna Weisner, Kim Vu, Karima St. George, Alvin Burwell, Charlie Williamson, Zina Jemison, Carter Ferrington, Sarita Burns, and Judith Henry. My apologies if I missed anyone.

A special thank you to Cassie Straughter! She owns a catering business, Cassie Moments LLC, and provided free fish sandwiches, chips, and a drink to our volunteers. (For more information about her company, contact her at 301-292-7203 or cassiemoments@gmail.com.)

If you missed this clean-up day, there will be another one in the spring, and the more help we get the more we can do. Also, it's a pleasant experience working alongside our neighbors.
— Jamie Crist

We Need Your Involvement

The TCA Membership Committee Chairs (Troy Ford, Sharon Mays Jacks, and Zina Jemison) would like to announce that they are resurrecting the *Block Captains / Neighborhood Watch* program in the community in 2021. We are looking for former captains and new ones to join.

Please contact Troy Ford via email at t1ford744@gmail.com to express your interest.

Thank you to all who sent in their 2020-2021 TCA dues. See the list of current members included in this newsletter. We still need your support. Use the form on page 4 or the link on the website to pay your dues.

Next TCA Membership Meeting

The effects of the pandemic continue to suppress our interactions, but our wonderful neighborhood has cooperated with the restrictions and found ways to live safely. The September 23 TCA General Meeting was held in the parking lot of the National Golf Club. Members brought their own lawn chairs, distanced themselves, and participated in the meeting chaired by Carter Ferrington. Exercise, biking, walking, jogging, and dog walking, have kept us in shape which is important since many neighbors have challenged themselves with new recipes. Yard work continues to be a focal point, and the fall gardens, colorful mums, and falling leaves keep us busy.

There was a conga line of traffic through Firth of Tae Drive as friends, neighbors, actors, actresses, and singers helped Charla Rowe celebrate her 80th birthday on August 23. Charla, a gifted musician and actress, is well known for her dedication to the Tantallon Community Players and her ability to cultivate musical talent. Charla enjoyed the *driving* ovation! Happy Birthday!

Derris and Tima McGuthrie Banks of Norwood Lane celebrated their 25th anniversary over the Labor Day weekend. Congratulations!

We have new little neighbors! On September 1st, Brian and Belle Brunk and their eldest son Billy (age 7), welcomed the newest member of their family, Walter James. Walter was delivered at INOVA Alexandria and arrived at 4:30pm. He weighed 7 lbs, 6 ounces. As a result of Walter's arrival, the Brunks purchased a home on Monterey Circle to give everyone a little more space. They moved in on September 28th.

We also congratulate Jessica Stibick and Frank Lawrence of Gleneagles Drive. They welcomed a new baby on October 14. Neil Anders weighed in at 8 lbs. 14 oz. and joins his two year old brother, Erik.

Charles Walton of Hazel Hill Circle is proud to announce that Kimberly received the Roger W. Jones Award for Executive Leadership from the School of Public Affairs at American U in mid-October. The program emphasizes self-inquiry, thinking, reflection and continued life-long learning. Kimberly, Executive Assistant Administrator, Transportation Security Administration, expressed how the transition to telecommuting has brought new challenges of communication and trust at TSA. "Coupled with societal reckonings and COVID-19, Kimberly recounted her responsibility as a leader to take care of her employees."

The ladies of TWGA, The Women's Golf Association at National Golf Club, celebrated their closing day on October 27. After playing a nine holes scramble, they enjoyed lunch on the patio at the club. Caroline Carbaugh of Inverness Lane was the Nine Hole Ladies' Champion and the winner of the Stephens Cup. Maureen Brady of Berwick Circle won the Handicap Tournament and had the most birdies and bogeys during the season. The talented golfers were recognized with trophies and gift cards.

Even though Halloween was cancelled, our neighbors excelled in decorating their homes. Pumpkins, ghosts, spider webs and witches transformed our quiet neighborhood. The goddess in the front yard of Tom and Dinez Cakirca on Inverness Lane dressed for the day wearing a lacy black tutu, boa, frilly hat and false eyelashes! Dinez wore the costume years ago at a celebration in New York City. Part of Tom's Dracula costume was used to decorate their mailbox! On West Tantallon Drive there was a coven of witches in Glen Clark's yard. The eagle donned a witch's hat and two little witches dangled from its talons. The spirit of Halloween continued as 40 neighbors and pets paraded on Tantallon Drive. Carter Ferrington led the revelers dressed as "Fall." Neighbors Ernie Balassa and Clarence Korendyke relaxed in their lawn chairs and cheered the group on as they passed by on Surrey Circle Drive.

The Accokeek Foundation, National Colonial Farm, invites you to visit their website to learn about Farm Tours available through December. Educators will lead you through the grounds of a 1770 working tobacco farm and meet its two and four-legged residents.

In mid-November Javier Samayoa and Hermon Cruz Parada of Inverness Drive decorated the exterior of their house in beautiful blue lights and candy canes around the mailbox. Perhaps they "need a little Christmas, right this very minute..."

A special *thank you* goes to Carl and Kathy Wynn of West Tantallon Drive. The seasonal display full of colorful lights and figures at the roundabout entry to our neighborhood will put a smile on everyone's face. This may be the encouragement we need to add lots of colorful decorations to our homes this holiday season.

Passages: Our deepest sympathy and condolences to the families and friends of the deceased.

Donald White LeCrone, 83, died September 25th at his home on Surrey Circle Drive. A visitation was held on October 3 at Kalas Funeral Home. Don earned his degrees from the University of Oklahoma, where he met his wife Carolyn. They married in 1962 and relocated to Maryland where Don worked for the Bureau of Census for 10 years and the U.S. Patent and Trademark Office. Don retired in 1992 as the Deputy Director for Systems Development and Maintenance, where he oversaw automation development activities for issuing U.S. patents and trademarks.

Don, a longtime member (1967) of Tantallon Country Club, played with the Senior Men's Golf Association and the unofficial golf group known as the "Wet Shoes". He loved the Redskins, reading, playing cards and doing sudoku puzzles. Neighbors know him best from seeing him enjoying a glass of wine with his wife in the evenings by their pond. Don is survived by his wife, Carolyn, a daughter, Deborah (Kim) and her husband Doug Knox, a son, David and his wife Lynda, two granddaughters, and one great-granddaughter.

Gordon Brooks, 78, a longtime Tantallon resident, died at his home on Gleneagles Drive on October 21. He is survived by his wife of 46 years, Sylvia Ann Brooks, his daughter, Monica Cooper, his son, Eric Brooks, 3 grandchildren, and 5 great grandchildren. Gordon may be remembered by some Tantallon residents as one of the many regular walkers. He started walking shortly after moving to Tantallon in August 1983. He got to exercise and socialize with many people during his years of walking. He walked, as often as weather permitted, up until about 4 years ago, when health issues began to slow him down.

The Toe (cont'd)

Robert Elmon West, 91, Surrey Circle Drive, passed away October 22, 2020. He was preceded in death by his wife, Macy, to whom he was married for almost 66 years. Bob was a proud Korean War veteran who valued love of family, loyalty and love of country. His career revolved around education and coaching. He started at Oxon Hill Senior High School and spent 20 years as an educator and associate dean at Prince Georges Community College.

He enjoyed golfing, sports and time at the family lake house in North Carolina. Robert leaves to mourn: his children Keith West and Lynn Linde (Karl), six grandchildren and thirteen great grandchildren (two deceased). A Life Celebration took place on November 8 at Kalas Funeral Home; a private funeral service was held at Oxon Hill United Methodist Church, and interment at Cheltenham Veterans Cemetery.

Did You Know?

Chef Lois at the National Golf Club at Tantallon is offering entrees and sides to *carry-out* on Thurs., Fri. and Sat. evenings. Specials change weekly. Call (301) 292-1100, ext. 2.

To report a streetlight that is *out* at night or *on* during the day, call Pepco at: 1-877-737-2662. Include the number at the top of the light pole.

Stay safe, dog walkers and joggers. Use flashlights and reflective vests in the evening and in the dark. Dawn and dusk are tough hours to see people in the shadows along the sides of the streets. Many neighbors have their dogs on long leashes, let them walk in the road, and do not pull them in when cars are passing.

NEW DESSERT SHOP IN TOWN (YUM)

I am happy to report that there is a very unique and special bakery in nearby Bryans Road, MD., relatively new and family owned. Introducing the Honey Bun Cake Factory, located at 6964 Indian Head Highway, Bryans Road, MD, next to the Post Office. The owners are husband and wife, Anthony & Tisha McFarland, who offer their personalized services to Special Events, Fundraisers, Corporate Events, Private Catering and just about any type of occasion, large, small or very small.

There are about 80 different types of cakes to choose from, either individual slices or whole cakes. The signature Honey Bun Cake, a recipe handed down from an old family recipe, serves as the base for many of the unique types of cakes available at the above location. In addition to cakes, there is a wide assortment of cheesecakes offered as well, all very delicious.

We have tried quite a few of the offerings, both cakes and cheesecakes, and have found them to be absolutely heavenly. We have shared some of the goodies with friends in the neighborhood, and the reviews have been superior.

Right now, the McFarlands are testing the market by expanding their hours at the bakery to Mon.- Sat. 8 AM to 6 PM, offering free coffee to anyone who purchases cake. With Holidays coming, albeit greatly restricted, sweet potato pies and special cookies will soon become available. Visit soon, call 240-377-8629 or see www.thehoneybuncakefactory.com ENJOY!!
